Women's Ministry Testimonials

"Writing from the Heart" was very encouraging. Liz pulled all of us into her talk. We didn't want it to end. Lots of really good Scripture." Jan Sperry, Lone Tree, CO

"Liz Cowen Furman's Christ-like spirit and gift of encouragement draw people to her. She is a blessing!" Marlene Bagnall, Director, CO & Greater PA Christian Writers Conferences

"I enjoyed how God used her personality to speak to the uniqueness He has placed in each one of us. I didn't want the session to end as her every word appeared to glorify Jesus. I left her class believing that God will absolutely work through my personality as I continue to diligently seek Him through prayer."

Charity Douglas, Wauwatosa, Wisconsin
